The following amendments to chapter 41 are proposed.

ITEM 1. Amend rule **281—41.8(256B,34CFR300)** as follows:

281-41.8(256B,34CFR300) Child with a disability. "Child with a disability" refers to a person under 21 years of age, including a child under 5 years of age, who has a disability in obtaining an education. The term includes an individual who is over 6 and under 16 years of age who, pursuant to the statutes of this state, is required to receive a public education; an individual under 6 or over 16 years of age who, pursuant to the statutes of this state, is entitled to receive a public education; and an individual between the ages of 21 and 24 who, pursuant to the statutes of this state, is entitled to receive special education and related services. In federal usage, this refers to infants, toddlers, children and young adults. In these rules, this term is synonymous with "child requiring special education" and "eligible individual." A "disability in obtaining an education" refers to a condition, identified in accordance with this chapter, which, by reason thereof, causes a child to require special education and support and related services.

ITEM 2. Amend rule **281—41.9(256B,34CFR300)** as follows:

281—41.9(256B,34CFR300) Consent.

41.9(1) Obtaining consent. "Consent" is obtained when all of the following conditions are satisfied:

a. The parent has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or ~~other~~ through another mode of communication;

b and c. No change.

41.9(2) No change.

41.9(3) Special rule. If a parent revokes consent in writing for their child's receipt of special education services after the child is initially provided special education and related services, the public agency is not required to amend the child's education records to remove any references to the child's receipt of special education and related services because of the revocation of consent.

ITEM 3. Amend rule **41.18(256B,34CFR300)** by substituting "alternate academic achievement standards" for "alternate achievement standards," wherever that phrase may appear.

ITEM 4. Amend subrule **41.51(12)** as follows:

41.51(12) School district of the child's residence. "School district of the child's residence" or "district of residence of the child" is that school district in which the parent of the individual resides, subject to the following:

a and b. No change.

c. If an individual is physically present ("lives") in an intermediate care facility, residential care facility, or other similar facility, the individual's district of residence is deemed to be that of the individual's parents.

~~e d.~~ "Children living in a foster care facility" are individuals requiring special education who are living in a licensed individual or agency child foster care facility, as defined in Iowa Code section 237.1 ~~facility providing residential treatment as defined in Iowa Code section 125.2, or in an unlicensed relative foster care placement.~~ District of residence of an individual living in a foster care facility and financial responsibility for special education and related services are determined pursuant to subrule 41.907(5)"a".

e. "Children living in a treatment facility" are individuals requiring special education who are living in a facility providing residential treatment as defined in Iowa Code section 125.2. District of residence of an individual living in a treatment facility and financial responsibility for special education and related services are determined pursuant to subrule 41.907(5)"b".

~~d f.~~ "Children placed by the district court" are pupils requiring special education for whom parental rights have been terminated and who have been placed in a facility or home by a district court. Financial responsibility for special education and related services of individuals placed by the district court is determined pursuant to subrule 41.907(6).

ITEM 5. Amend subrule **41.103(1)** as follows:

41.103(1) *All means available to meet Part B requirements.* The state may use whatever state, local, federal, and private sources of support that are available in the state to meet the requirements of Part B of the Act.

ITEM 6. Amend rule **41.111(256B,34CFR300)** by adopting the following new subrules:

41.111(2) *High quality general education instruction; general education interventions.*

a. As a component of efficient and effective, high quality general education instruction, it shall be the responsibility of the general education program of each LEA to provide additional support and assistance to all students who may need such additional support and assistance to attain the educational standards of the LEA applicable to all children. Receipt of such additional support and assistance, standing alone, does not create a suspicion that a child is an eligible individual under this chapter. Activities under this paragraph shall be provided by general education personnel, with occasional or incidental assistance from special education instructional and support personnel.

b. General education interventions, involving activities described in rule 41.312(256B,34CFR300), are a recognized component of an AEA's child find policy under 41.407(1) and procedures under 41.407(2).

41.111(5) *Evaluation required when disability is suspected.* At the point when a public agency suspects a child is a child with a disability under this chapter, the public agency must seek parental consent for an initial evaluation of that child, pursuant to 41.300(1).

41.111(6) *Rule of construction: "suspicion of a disability."* As a general rule, a public agency suspects a child is a child with a disability when the public agency is aware of facts and circumstances that, when considered as a whole, would cause a reasonably prudent public agency to believe that the child's performance might be explained because the child is an eligible individual under this chapter.

ITEM 7. Amend rule **41.118(256B,34CFR300)** as follows:

281—41.118(256B,34CFR300) Children in public or private institutions. Except as provided in rule 41.149(256B,34CFR300) regarding agency responsibility for general supervision ~~for~~ of some individuals in adult prisons, the department must ensure that rule 41.114(256B,34CFR300) is effectively implemented, including, if necessary, making arrangements with public and private institutions such as a memorandum of agreement or special implementation procedures.

ITEM 8. Amend rule **41.156(256B,34CFR300)** by adding the following new subrule:

41.156(6) *Positive efforts to employ and advance qualified individuals with disabilities.* Each recipient of assistance under Part B of the Act must make positive efforts to employ, and advance in employment, qualified individuals with disabilities in programs assisted under Part B of the Act.

ITEM 9. Amend rule **41.211(256B,34CFR300)** as follows:

281-41.211(256B,34CFR300) Information for department. Each public agency shall provide the department with information necessary to enable the department to carry out its duties under Part B of the Act and this chapter, including, with respect to 34 CFR Sections 300.157 ~~and 300.160~~, information relating to the performance of children with disabilities participating in programs carried out under Part B of the Act. This information, including such quantitative and qualitative data as the department may require, shall be submitted in a manner and at a time determined by the department. Failure to submit timely and accurate information may be considered by the department in making the determinations under rule 41.603(256B,34CFR300) or in taking any other action to enforce Part B of the Act or this chapter.

ITEM 10. Amend subrule **41.300(2)** as follows:

41.300(2) *Parental consent for services.*

a and b. No change.

~~*c.* If the parent of a child fails to respond or refuses to consent to services under 41.300(2)“a,” the public agency may not use the procedural safeguards of this chapter, including the mediation procedures or the due process procedures under this chapter, to obtain agreement or a ruling that the services may be provided to the child.~~

~~*d.* If the parent of the child refuses to consent to the initial provision of special education and related services, or the parent fails to respond to a request to provide consent for the initial provision of special education and related services, the public agency:~~

~~(1) Will not be considered to be in violation of the requirement to make available FAPE to the child for the failure to provide the child with the special education and related services for which the public agency requests consent; and~~

~~(2) Is not required to convene an IEP team meeting or develop an IEP for the child for the special education and related services for which the public agency requests such consent.~~

~~*c.* If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of special education and related services, the public agency--~~

~~(1) May not use the procedural safeguards in this chapter, including the mediation procedures rule 41.506(256B,34CFR300) or the due process procedures under rules 41.507(256B,34CFR300) through 41.516(256B,34CFR300) in order to obtain agreement or a ruling that the services may be provided to the child;~~

~~(2) Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with the special education and related services for which the parent refuses to or fails to provide consent; and~~

~~(3) Is not required to convene an IEP Team meeting or develop an IEP under rules 41.320(256B,34CFR300) and 41.324(256B,34CFR300) for the child.~~

~~*d.* If, at any time subsequent to the initial provision of special education and related services, the parent of a child revokes consent in writing for the continued provision of special education and related services, the public agency--~~

~~(1) May not continue to provide special education and related services to the child, but must provide prior written notice in accordance with rule 41.503(256B,34CFR300) before ceasing the provision of special education and related services;~~

~~(2) May not use the procedural safeguards in this chapter, including the mediation procedures rule 41.506(256B,34CFR300) or the due process procedures under rules 41.507(256B,34CFR300) through 41.516(256B,34CFR300) in order to obtain agreement or a ruling that the services may be provided to the child;~~

~~(3) Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education and related services; and~~

(4) Is not required to convene an IEP Team meeting or develop an IEP under rules 300.320(256B,34CFR300) and 41.324(256B,34CFR300) for the child for further provision of special education and related services.

ITEM 11. Amend subrule **41.300(4)** as follows:

41.300(4) Other consent requirements.

a. No change.

b. Additional consent requirements. In addition to the parental consent requirements described in subrules 41.300(1) through 41.300(3), the state may require parental consent for other services and activities under Part B of the Act and of this chapter if it ensures that each public agency in the state establishes and implements effective procedures to ensure that a parent's refusal to consent does not result in a failure to provide the child with FAPE.

c. Limitation on public agency's use of failure to give consent. A public agency may not use a parent's refusal to consent to one service or activity under subrules 41.300(1) through 41.300(3) or 41.300(4)"b" to deny the parent or child any other service, benefit, or activity of the public agency, except as required by this chapter.

d and e. No change.

ITEM 12. Amend rule **41.312(256B,34CFR300)** as follows:

281—41.312(256B,34CFR300) General education interventions. Each LEA, in conjunction with the AEA, shall attempt to resolve the presenting problem or behaviors of concern in the general education environment prior to conducting a full and individual evaluation. In circumstances when ~~the development and implementation of general education interventions are not appropriate to the needs of the individual, the IEP team and, as appropriate, other qualified professionals, may determine that a full and individual initial evaluation shall be conducted there~~ is a suspicion that a child is an eligible individual under this chapter, the AEA or AEA in collaboration with the LEA shall conduct a full and individual initial evaluation. 41.314(2) Progress monitoring and determining eligibility. Each public agency shall engage in such monitoring of each individual's progress during the process of evaluating whether a child is an eligible individual as the Department may require, and shall record such progress in any manner that the Department may permit or require. If the AEA or LEA serving an individual imposes additional requirements for the monitoring of progress of individuals during the process of evaluation, personnel serving that individual shall comply with those additional requirements. The team determining the child's eligibility may increase the frequency with which the child's progress is monitored.

41.314(3) Progress monitoring and eligible individuals. Each public agency shall engage in such monitoring of each eligible individual's progress as the Department may require, and shall record such progress in any manner that the Department may permit or require. If the AEA or
